THE CONSTITUTION OF INDIA

PREAMBLE

WE, THE PEOPLE OF INDIA, having solemnly resolved to constitute India into a SOVEREIGN SOCIALIST SECULAR DEMOCRATIC REPUBLIC and to secure to all its citizens :

JUSTICE, social, economic and political ;

LIBERTY of thought, expression, belief, faith and worship ;

EQUALITY of status and of opportunity ;

and to promote among them all

FRATERNITY assuring the dignity of the individual and the unity and integrity of the Nation ;

IN OUR CONSTITUENT ASSEMBLY this twenty - sixth day of November, 1949, do HEREBY ADOPT, ENACT AND GIVE TO OURSELVES THIS CONSTITUTION.

शिक्षणमहर्षी डॉ. पंजाबराव उपाख्य भाऊसाहेब देशमुख यांचे विचारधन....

भारताच्या सर्वच राज्यात नसेल कदाचित; परंतु जुन्या मध्यप्रदेशात तरी उच्च ध्येयाने एकत्र आलेले एवढे विशाल कुटुंब दुसरे नाही. या कुटुंबाच्या कार्याची दखल घेतली जावी व त्याचे योग्य मूल्यमापन करून सहानुभूतीने त्याजकडे जनतेने व जबाबदार लोकांनी बघावे, अशी मला एकसारखी उत्कंठा लागली आहे. त्याचप्रमाणे या हजारो कुटुंब घटकांनाही मी कळकळीने सांगू इच्छितो की, त्यांनी ध्येयाची एकवाच्यता, स्वयंस्फूर्त शिस्त, शौर्याची वृत्ती, धाडस, सत्याची व प्रामाणिकपणाची चाड हे गुण आपल्या अंगी बाणून संकुचित वृत्तीचा पूर्णपणे त्याग करावा. या शब्दाची नुसती पोपटपंची करून चालणार नाही. त्याची प्रत्यक्ष आचरणात सत्यता उतरली पाहिजे. आपल्या सर्व संस्थातील प्रत्येक अध्यापकाने, प्रत्येक विद्यार्थ्यांने आपल्या वर्तनाने, शिस्तप्रियतेने, विनयशीलतेने इतरांहून आपला निराळेपणा दाखवून दिला पाहिजे व आपण श्री शिवाजी शिक्षण संस्थेच्या या थोर कुटुंबाचे घटक आहोत, हे तोंडाने न सांगताही इतरांना ओळखू येईल, असे आपले आचरण ठेवले पाहिजे.

Student Charter Every stakeholder of higher education has a role to play for quality enhancement and sustenance. The stakeholders such as the Government, management, teachers, students and the external quality assurance agencies—have an important role in ensuring quality of higher education. The National Assessment and Accreditation Council (NAAC) strives to play a catalytic role in synergising the stakeholders efforts. Of all the stakeholders mentioned above, the students have a unique role to play in ensuring quality of higher education institutions (HEIs). Firstly, the students should realize that they have the right for quality education and it is the responsibility of the HEIs to provide quality educational experience to learners. Secondly, the students should equally be aware of their responsibilities which in turn will help the institutions to provide quality education. This means that the students should demand quality education and demonstrate their commitment to quality education by accepting their responsibilities. Otherwise the HEIs will have very little motivation for quality enhancement. An initiation has been made by the National Assessment and Accreditation Council (NAAC) in this direction by developing a sample student charter for all higher education institutions. It is hoped that the charter will help educational institutions to articulate their obligations to learners in clear terms and can be used as a benchmark for institution's accountability to learners. The NAAC advocates the public display of student charter in every institution as an act of promotion of student participation in Quality Assurance.

A) Institution's responsibilities towards students. The institution shall --

- **communicate its goals and objectives systematically and clearly to all students offer programmes that are consistent with its goals and objectives**
- **offer a wide range of programmes with adequate academic flexibility**
- **obtain feedback from students on the initiation, review and redesign of programmes if and when necessary**
- **facilitate effective running of the teaching-learning programmes**

- **provide clear information to students about admission and completion requirements for all programmes, the fee structure and refund policies, financial aid and student support services**
- **ensure sufficient and well-run support services to all students promote healthy practices**

B) Student's responsibilities of learning. The student shall--

- **appreciate the institutional goals and objectives and contribute to the realisation of the same by participating in relevant institutional activities**
- **have a clear knowledge of the programmes, admission policies, rules and regulations of the institution**
- **follow the time schedules, rules and regulations of the institution**
- **undertake regular and intense study of learning materials**
- **make optimum use of the learning resources and other support services available in the institution**
