
Best Practice: Annapurna Yojana for Patients in PDMC Hospital

Goal of the Practice:

To provide food to patients in maternity ward in PDMC Hospital under “Annapurna Yojana”

The Process:

In order to provide food to patients admitted in PDMC Hospital for one month, the college contributed in “Annapurna Yojana” of the parent society. In this scheme, all teachers contributed Rs.1500 and the students contributed to serve the food to patients. The students are trained to manage the foods and management of service. 100 patients were served food daily by the college. The college has decided to serve the patients for one month in a year with the contributions of stakeholders. The foods are provided to patients during 1-31 October 2018.

Impact of the Practice:

The students realised the importance of service and donations to the society. They got training to serve the patients in hospitals. In addition, they got skill in management of service.

Resources Required:

Collection of Donations, Faculty and Students
