#### INTERNATIONAL CONFERENCE

"DIASPORA: LITERATURE, CULTURE AND IDENTITY."

WEDNESDAY, 06 TH APRIL, 2022

Conference Logo

## **Introduction:**

UGC Sponsored One Day Virtual International Conference on "Diaspora: Literature, Culture and Identity" was jointly organized by the Departments of English of Shri Shivaji Arts & Commerce College Amravati & Late Narayanrao Amrutrao Deshmukh Arts & Commerce College, Chandur Bazar Amravati, affiliated to Sant Gadge Baba Amravati University, Amravati in the state of Maharashtra, India on 06<sup>th</sup> April, 2022.

## **Concept Note:**

Diaspora Literature is a very wide concept and canopy term that covers all those works of literature produced by the authors outside their native country. However there is feeling that many of these writers still cherish a nostalgic connection to their native spirit and thought. As a result such works reflect a blend of emotional and intellectual dilemma. Since the commencement of the new millennium, the world has witnessed a revolutionary metamorphosis in social, political, cultural, literary and economic landscapes. The shifts have in turn pushed Diaspora studies to expand beyond their origins in literary studies and their primary focus. Through this Conference, we wante to respond and contribute to current critical and theoretical debates by moving towards the study of world literatures and global theoretical aesthetic and cultural practices. The present Conference also intendes to trigger a debate about the future of diasporic literature and thus reinvigorate and explore certain dimensions of the areas. We wished to provide a literary platform for those interested in cross cultural approaches to push Diaspora studies into fresh domains to meet, discuss, and to explore contemporary debates. Topics to be dealt and addressed by sessions at the Conference will covere a broad spectrum of research questions but with a specific emphasis on present and future challenges for diasporic literature and theory. The proposed deliberations are initiated, to cover not only the predominant nature of diaspora literature but also to highlight the various related issues and problems of the same.

## **Inauguration:**

The inaugural ceremony commenced with the portrait pooja of Dr, Panjabrao alias Bhausheb Deshmukh, founder President of Shri Shivaji education society Amravati and first Union Agriculture Minister of independent India. The Conference was inaugurated at the hands of Hon'ble Dr. Dilip C. Nath Former Vice Chancellor, Assam University, Silchar, Assam, India. Hon'ble Shri Harshvardhan P. The aims of this International Conference were to bring scientists, researchers, social reformers, innovators, humanists, economists and renowned speakers from the various fields on a common platform to discuss, present and disseminate new ideas, concepts, researches and innovations in the field of Commerce and Management for sustainable developments.

Sustainable Development is a very wide concept and a canopy term that covers all works of Commerce and Management produced and a canopy term that covers all those works of Commerce and Management produced by the authors outside their native country. Since the commencement of the new millennium, the world has witnessed a revolutionary metamorphosis in social, political, cultural, literary, finance and economic landscapes. The shifts have in turn pushed sustainable development in Commerce & Management studies to expand beyond their origins in the studies of Commerce and

Management and their primary focus. Through this conference, we want to respond and contribute to current critical, practical and theoretical debates by moving towards the study of world and global theoretical practices of sustainable development in the field of Commerce and Management.

The present Conference also intends to trigger a debate about the future of sustainable development in Commerce and Management and thus reinvigorate and explore certain dimensions of the areas. We wish to provide a platform for those interested approaches to push sustainable developments in Commerce & Management studies into fresh domains to meet, discuss, and to explore contemporary debates, exchange of idea and research. Topics to be dealt and addressed by sessions at the conference will cover a broad spectrum of research questions but with a specific emphasis on present and future challenges for sustainable developments in Commerce & Management. The proposed deliberations are initiated, to cover not only the predominant nature of Sustainable Development in Commerce & Management but also to highlight the various related issues and problems of the same.

#### ABOUT THE CONFERENCE

This International Conference aims to brings scientist, researchers, social reformers, innovators, humanist, economist and renowned speaker from the various field on a common platform to discuss, present and disseminate new ideas, concept, researches and innovations in the field Commerce and Management for sustainable developments.

#### CONCEPT NOTE

Sustainable Development is a very wide concept and a canopy term that covers all those works of Commerce and Management produced by the authors outside their native country. Since the commencement of the new millennium, the world has witnessed a revolutionary metamorphosis in social, political, cultural, literary, finance and economic landscapes. The shifts have in turn pushed sustainable development in Commerce & Management studies to expand beyond their origins in the studies of Commerce and Management and their primary focus. Through this conference, we want to respond and contribute to current critical, practical and theoretical debates by moving towards the study of world and global the oretical practices of sustainable development in the field of Commerce and Management.

The present Conference also intends to trigger a debate about the future of sustainable development in Commerce and Management and thus reinvigorate and explore certain dimensions of the areas. We wish to

provide a platform for those interested approaches to push sustainable developments in Commerce & Management studies into fresh domains to meet, discuss, and to explore contemporary debates, exchange of idea and research. Topics to be dealt and addressed by sessions at the conference will cover a broad spectrum of research questions but with a specific emphasis on present and future challenges for sustainable developments in Commerce & Management. The proposed deliberations are initiated, to cover not only the predominant nature of Sustainable Development in Commerce & Management but also to highlight the various related issues and problems of the same.

# ज्ञानाच्या चळवळीत पर्यावरणाच्या चळवळीचा सहभाग आवश्यक - प्रशांत गावंडे

शिवाजी महाविद्यालय आणि कौटिल्य ज्ञान प्रबोधिनीद्वारा 'पर्यावरण संवर्धन' या विषयावर परिसंवाद

अमरावती/प्रतिनिधी:-पर्यावरणा संदर्भात बोलणे खूप सोपे आहे, परंतु त्याप्रमाणे वागणे मात्र थोडे कठीण आहे. पाणी तयार करण्याचे तंत्र कोणाकडे नसताना आपण पाणी विकत घेतो? पर्यावरणाची चळवळ श्रीमंतांनी हायजॅक केली असून पर्यावरणाच्या असमतोलामुळे आरोग्याचे प्रश्न बाढत आहेत. त्यामुळे ज्ञानाच्या चळबळीमध्ये पर्यावरणाच्या चळवळीचा सहभाग असावा, असे मत प्रसिद्ध सामाजिक कार्यकर्ते श्री.प्रशांत गावंडे यांनी 'पर्यावरण संवर्धन' या विषयावरील परिसंवादात

बीजभाषण करताना व्यक्त केले. श्री शिवाजी कला व वाणिज्य महाविद्यालयाचा अर्थशास्त्र विभाग, आयक्यूएसी आणि कोटिल्य जान प्रबोधिनी यांच्या

मनुष्याच्या बदलत्या जीवनशैलीमुळे पर्यावरणाचा समतोल बिघडला आहे.याकरिता संपूर्ण मानव समाजाने संधिक प्रयत्न करणे गरजेचे आहे. येत्या काळात पर्यावरण संवर्धनासाठी पाऊले उचलली गेली नाहीत तर त्याचे गंभीर परिणाम आपत्याचनकिच भोगावे लागतील यांत तीळ मात्र शंका नाही. निसर्म आणि मनुष्य प्राणी यांचा अभ्यास पर्यावरण शास्त्रामध्ये होणे गरजेचे आहे. पर्यावरणाचा प्रश्न सद्यस्थितीत गंभीर झालेला आहे. पर्यावरणाचे अर्थशास्त्र समजून घेणे महत्त्वाचे आहे.

- अर्थतज्ञ डॉ. दि.व्यं.जहांगीरदार

**ा**हिंदू धर्मातील प्रत्येक सणामागे विज्ञान

निसर्गाचे घड्याळ बिघडले आहे. अवेळी पाऊस, अतिवृष्टी, पर्वतावरील बर्फ वितळणे,

महापूर, तापमानात भरमसाठ बाढ हे भविष्यातील संकट आणखी गडद होत जाईल तेंका मनुष्याने

आता तरी जागे व्हावे, आणि पर्यावरण संवर्धन करिता आग्रही असावे. शैक्षणिक व सामाजिक

संस्थांनी पर्यावरण जागृती करणे महत्त्वाचे आहे. पर्यावरण संवर्धनाकरिता विद्यार्थ्यांनी सुद्धा आपली

सामाजिक जवाबदारी समजून घेणे आवश्यक आहे. प्रत्येक व्यक्तीने आपला स्वतःचाचे मृत्यमापन

करावे. पर्यावरणाचा प्रश्न हा कोणा एकाचा नसुन संपूर्ण मानव समाजाचा आहे

मनुष्य स्वतः समस्या निर्माण करतो आणि त्या समस्याचे समाधान शोधण्यासाठी आपले संपूर्ण आयुष्य खर्ची घालतो. हिंदू धर्मातील प्रत्येक सणामागे विज्ञान आहे. आधुनिकतेशी स्पर्धा करताना चांगल्या परंपराकडे दुर्लक्ष करणे योग्य होणार नाही.आपल्या संस्कृती चा अभ्यास होणे ही काळाची गरज आहे. यातूनच पर्यावरण संवर्धन शक्य असेल.

- शेषराव खाडे, सचिव श्री शिवाजी शिक्षण संस्था

- अर्थतज्ञ डॉ.श्रीनिवास खांदेवाले
